Dear Ms Legesse

I have just received your Office Action Summary of August 29th 2008, which lists a number of claims (24-43) that are not acceptable in my above application.

This is to ask whether my application can go forward with these claims eliminated ?

If so, I am would be happy to withdraw them.

I apologise for any trouble this may cause, but I am having to manage without an agent.

Sincerely yours

Sidney Anthony Hollingsworth Whitehouse
